

Bill of Materials

1. Electron

Electron | Particle | <https://docs.particle.io/datasheets/electron-datasheet/>

USB Micro B Cable | Particle | <https://docs.particle.io/datasheets/electron-datasheet/>

Particle SIM Card | Particle | <https://docs.particle.io/datasheets/electron-datasheet/>

Cellular Antenna | Particle | <https://docs.particle.io/datasheets/electron-datasheet/>

2000mAh LiPo Battery | Particle | <https://docs.particle.io/datasheets/electron-datasheet/>

Particle Sticker | Particle | <https://docs.particle.io/datasheets/electron-datasheet/>

Resistor 220-Ohm | Particle | <https://docs.particle.io/datasheets/electron-datasheet/>

Breadboard | Particle | <https://docs.particle.io/datasheets/electron-datasheet/>

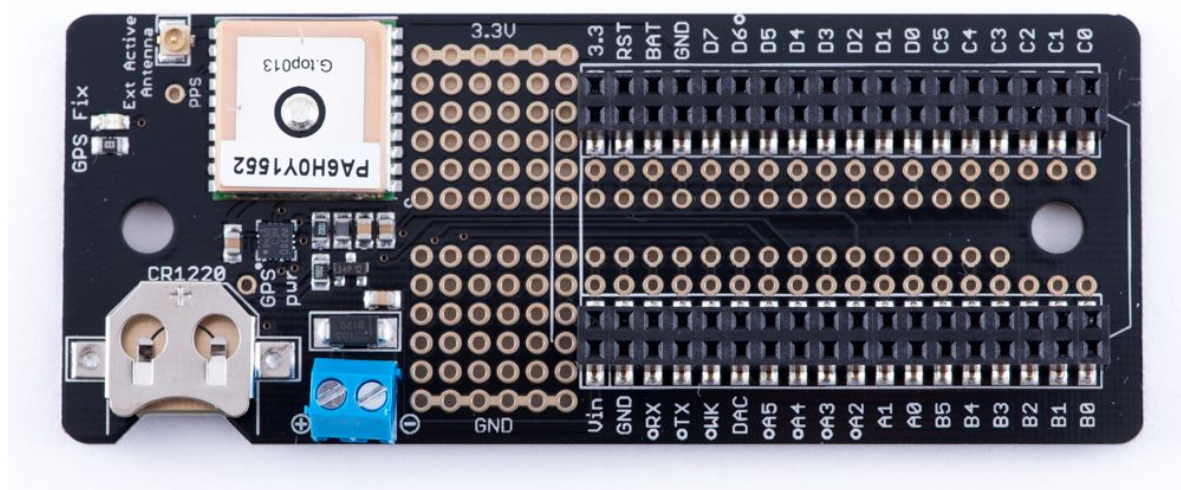

Photoresistor | Particle | <https://docs.particle.io/datasheets/electron-datasheet/>

Bright LED - White | Particle | <https://docs.particle.io/datasheets/electron-datasheet/>

Hard plastic box | Particle | <https://docs.particle.io/datasheets/electron-datasheet/>

2. ELECTRON ASSET TRACKER Shield

The Asset Tracker is a GPS shield that also includes an accelerometer and waterproof box. All designed by Adafruit

Asset Tracker | Particle | <https://docs.particle.io/datasheets/particle-shields/#electron-asset-tracker>

Adhesive foam | Particle | <https://docs.particle.io/datasheets/particle-shields/#electron-asset-tracker>

Screws | Particle | <https://docs.particle.io/datasheets/particle-shields/#electron-asset-tracker>

Waterproof box | Particle | <https://docs.particle.io/datasheets/particle-shields/#electron-asset-tracker>
